MEMORANDUM FOR: Director of Security

Oz:

Here are a couple of copies of what we believe is the last version of the proposed Headquarters Notice on disclosures. Since so much has happened in the interim a revision of the first paragraph is undoubtedly in order. Perhaps you could have a go with Tom Parrott to come up with a final text.

(signed) John W. Coffey

Oz: In order to eliminate possible confusion on the handling of information addressee copies of red-striped "For Information Only" memoranda, I suggest that as a general proposition you fan out the copies at the same time the original is sent to us. In the event that the case arises where there may be a reason for review before release of copies to the Deputy concerned please so note on the cover sheet and send us all copies.
